A yearbook is something that
Opens the doors of the past,
And is a window frame
For all the pictures you have
Created in your memory.

PRINCIPAL'S MESSAGE

Mr. J.A. Scott . . . Chief of the Warriors

This school year has certainly been a very full and successful year for all of us at G.A. Wheable.

The year got off to an excellent start with the involvement and support of the entire student body for the United Way and in winning the Gold award. The excitement and positive attitudes were maintained though the Scrooge Campaign, the Blood donor clinic, and February Follies as well as the regular student dances and activities.

I should like to thank and congratulate all of the hard working and committed students who made the 1984-85 school year such a success.

I hope that those who graduate this year can look back through this yearbook with fond memories. You have been an integral part of the school year represented in this book and you are responsible for it. I wish you all the very best in your future plans.

The yearbook editors and their helpers are certainly deserving of a special hearty vote of appreciation from all of us for the tireless hours they have spent on our behalf in order to produce this outstanding pictorial record of 1984-85.

To all of you, thanks for a great year and may your future bring continued successes.

J.A. Scott

VICE-PRINCIPALS MESSAGE

It is a pleasure to once again pen a few words for this year's edition of our school year book. In my third year, I continue to enjoy my work here at Wheable.

A yearbook reminds us that there is far more to school life than goes on in the classroom even though striving for academic excellence is obviously important. Those who became involved in the school in such activities as athletics music, dances, and the United Way Campaign are the Warriors who found school interesting, exciting and rewarding. May this yearbook help you remember the fun. I would be remiss if I did not comment on a renewed spirit and vitality during this school year. There are a number of reasons for this. One is the outstanding work of our student council.

Congratulations to the yearbook staff on another tremendous effort. Good luck to all our graduates!

P.B. Mackey

My heartiest congratulations to the staff and students who volunteered many extra hours to prepare this snapshot of Wheable's 1984 - 1985 school year. A yearbook is an invaluable reminder of the joys, the laughs, the victories and the friends that we have at this fine school. This yearbook will stir warm memories for many years to come. The teachers involved in this book deserve our thanks for the insights and support they offered to the hardworking, enthusiastic and creative students.

LAURA VREE
Are moments too brief to be held by the eye; . . . captured in thought and fragmented by time. The entire sky is a star, the twinklings you see are dreams come true.

THE CLOWN

Look across a desolate river,
Search the contents of your heart.
Solitude echoes in your chamber,
Abandoned promise torn apart.

Withdraw kaleidoscope illusions
The sentry guards your mirrored wall.
Candied image reflects emotion
Embittered by a lonely call.

Laughter fades like a tainted rainbow
The brilliance of night will blind your eyes.
Forgotten clouds will rain down memories.
To obliterate your endless cries.

Tattered remnants of a yesterday,
Lost in the midst of a tarnished view.
Subversive floods of stormy waters,
Flow endlessly on . . . so old, yet new.

Whisper away embroidered webs.
From the obstructed attic of your mind.
Collapsable feeling never are steady
Just scattered pieces you will find.

The wake of answers cease to arrive.
In a barren desert free from rain.
As a hunter with a bow and arrow,
I implore you, why you cause such pain.

A word of thanks must be given to the people who always were there when we were in need of help. It took the co-operation of many people to put a book like this together. The following people need to be mentioned as they contributed their time and efforts. The secretarial staff have been a tremendous help.

A special word of thanks to Ms. Dawson, our photography advisor. There were many hours spent developing film in the darkroom.

Last but definitely not least, Ms. Lamos our Staff advisor; there are no words that could express the thanks that we must convey.

Also, thanks to Mr. Antartis' 351 Marketing class, for putting forth a tremendous amount of effort, making this the BEST year of advertising ever.

Dedication Dedication Dedication

We proudly dedicate the 1984-85 edition of MEMORIAE to Mrs. Porter.

Mrs. Porter has been a very valued member of the Business Department at G.A. Wheable for many years. She has been a friend to students and colleagues alike. She has contributed much to professional development of teachers throughout Ontario. During her varied career she has taught at Althouse Faculty of Education. Mrs. Porter has been active with the Ontario Business Educators Association and was honoured by them as one of the best Business educators in Ontario.

The Match Box store has been one of many school activities on Mrs. P's list. Her classes have won many awards in shadow box displays. We know she will be happy in all her future adventures.

We would like to thank the kind and caring ladies of the cafeteria staff. They prepare a wide variety of nutritious food for both students and teachers.

When you talk of cafeteria food, it is usually unpleasant, but with the help of these wonderful ladies, cafeteria food can be similiar to that of Mom's.

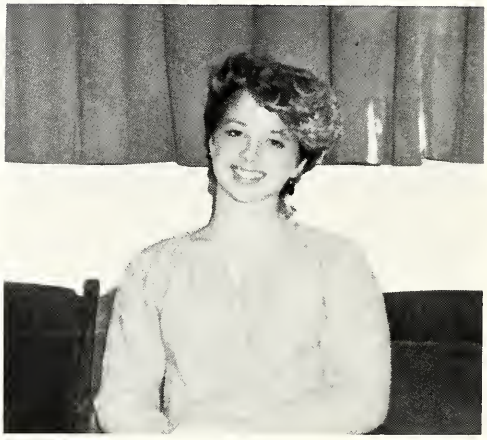
STUDENT COUNCIL PRESIDENT



Cathy Davidson, our Student Council President has helped everyone enjoy the school year with her great ability to motivate and lead the student body.

She is well known for the unforgettable things she has done this year. Such as the backwards day message heard during February Follies, the wonderful performance she gave in leading the audience in the sing-a-long during the Christmas Concert, but most of all for her leadership and encouragement that led us in winning the Gold Award for United Way.

Thanks to Cathy this year has been a great success.

G.A. WHEABLE

HOME AND SCHOOL

This year marks the first official year for G.A. Wheable's Home and School Organization, an organization designed to improve the relationship between the school and the community it serves. Members of this year's executive include:

President - Mrs. J. Dean
Vice-President - Mrs. B. Wendover
Treasurer - Mr. P. Wendover
Secretary - Miss C. Barnes
Staff Liaison - Mr. D. Menard
Principal - Mr. J. Scott

It has been a busy year for the Home and School. In the fall it organized a panel discussion on Education in the 80's.

During the winter it examined and provided input into establishing "A Code of Student Conduct" for the school.

Its major activity this spring has been the organization of a Flea Market to raise funds for Home and School activities.

The event, held on March 29 was a tremendous success raising over $1100. The success of the Flea Market would not have been possible without the help of a large group of people.

Advertising: Mrs. M. Porter and students in BMK 341-01.
Gus Hagikiriakos (Poster design)
Publicity: Mr. G. Brown and members of The Warrior Club
Cathy Davidson and the Student Council (Mr. Gauvin)
General Organization: Mr. & Mrs. Wendover
Mrs. J. Dean
Ms. Lamos, Mrs. Bieman, Mr Wale,
Mr. Menard, Mr. Scott, C. Barnes
Refreshments: Mrs. Mc Murray and the G.A.A.
Children's Area: Mrs. Cornelissen and Mrs. Barker
Baked Goods: Mrs. French and members of the Cheerleaders
Cashier: Jim Rosborough

Not to be overlooked are the many staff members, students, and parents whose contributions of time, labour and money are most responsible for this successful endeavour. With this kind of support The Home and School is well on the way to fulfilling its aims.

Be a Part of the Action

"WORDS OF WISDOM"

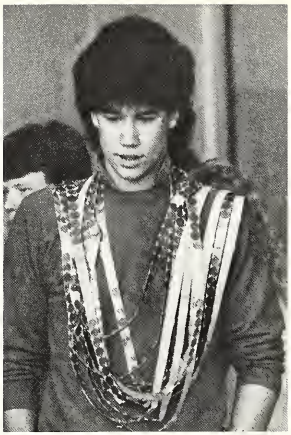
"The touch of sincere friendship
And a smile along the way
Gives a man the zest for living
And the heart to face the day."

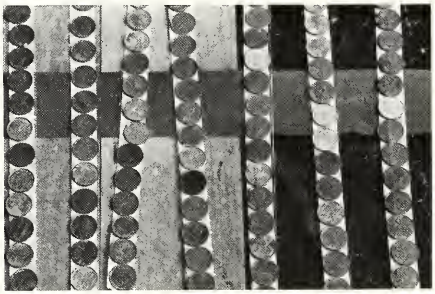
"The unknown path before us
Will hold not a fear
When a friend walks beside us
With love and good cheer."

"Begin each new month
With a song and a smile
It will lift your heart
For a long, long while."

"From early dawn
To long days' ends
There is nothing worth winning
But laughter and friends."

PENNY ROLL





THE CRYOGENICS EXPERIMENT

On January 9, 1985, G.A. Wheable's science department arranged a special science auditorium dealing with "Cryogenics". (Which deals with the peculiar behaviour of matter at extremely low temperatures.) Our speaker was Ellen Mortfield, from the Service Centre, and as many as twenty-five grade ten to thirteen students were invited to put their hands into some liquid nitrogen. (Which was at -196° - the boiling point of liquid nitrogen.)

Wheable is planning to invite Ms. Mortfield back next fall for another program called "Fun with Physics".

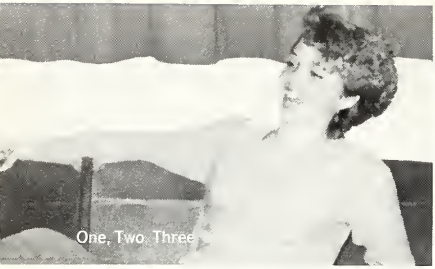
G.A. Wheable's 1985 Variety Show, was an event filled with pizzazz and talent. It was a spectacle that deserved the acclaim it received. Such talent was overwhelming. It was organized superbly: the smoothness of the show justifies that statement. The participants were chosen with care and good taste, as was the brilliant wardrobe worn by all of the cast.

The director of the show, Mr. B. Kowaltschuk, had a strong, yet caring hand in putting the show together. His time and dedication to the entire project does not go unrecognized: it was a colourful and fascinating mosaic. He found the pieces of an undiscovered puzzle, and carefully placed them together with class and grace, presenting a picture more than pleasant to the eye. Those who missed it, missed something which is rarely seen in this day and age. It was truly a vision to behold.



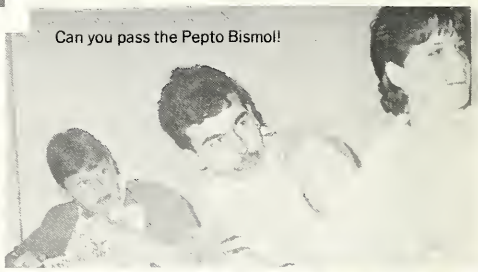
One, Two, Three

The candidates for Miss Wheable 1985-86

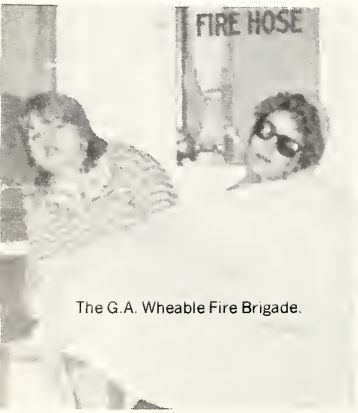
The P.T.A. meeting will now come to order

Where's the ball? I think Sophie ate it.

Oh wow, I think I'm fall in love!!



Can you pass the Pepto Bismol!



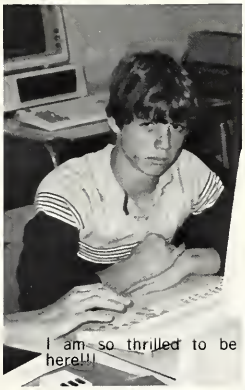
The G.A. Wheable Fire Brigade.

The Wheable Welcoming Committee!

PLACE & FACE PAGE

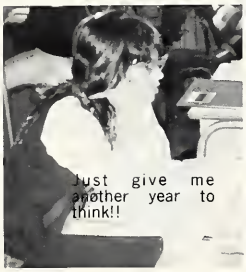
Where are all the people???

Hey, we know you!!!



I am so thrilled to be here!!!

Ya!! We know we're on candid camera!



Just give me another year to think!!

SOMETHING TO

The more you give,
The more you get.
The more you laugh,
The less you fret;
The more you do
Unselfishly,
The more you live,
Abundantly.
The more of everything
You share,
The more you'll always
Have to spare.
The more you love,
The more you'll find
That life is good
And friends are kind.
For only what
We give away,
Enriches us
From day to day.

Think Positive

If you think you are beaten,
you are.
If you think you dare not,
you don't.
Success begins with your
own will...
It's all in your state
of mind.
Life's battles are not
always won
By those who are stronger
or faster;
Sooner or later the person
who wins
Is the person who thinks
he can!

THINK ABOUT . . .

Risk It

To laugh is to risk appearing the fool

To weep is to risk appearing sentimental

To reach out to another is to risk involvement

To express feelings is to risk exposing your true self

To place your ideas,
your dreams before the crowd, is to risk their loss

To love is to risk not being loved in return

To live is to risk dying

To hope is to risk despair

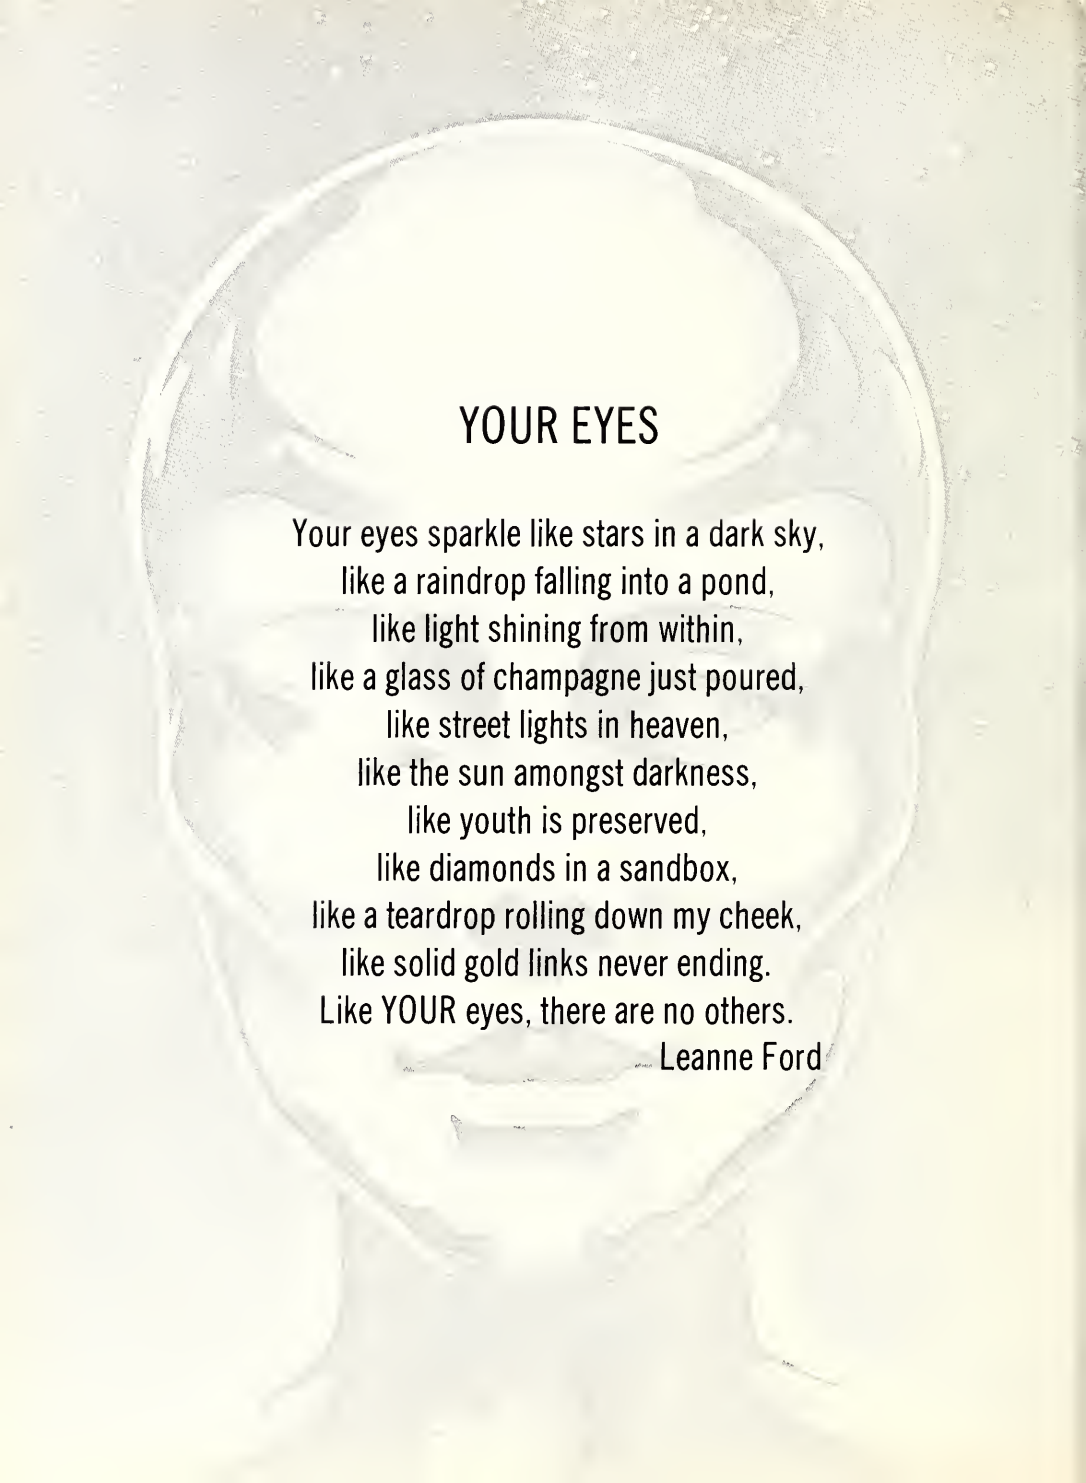
To try is to risk failure

But risks must be taken;
because the greatest hazard in life is to risk nothing

The person who risks nothing, does nothing
has nothing, and is nothing

He may avoid suffering and sorrow,
but he simply cannot learn, feel, change, grow, love, live

Only a person who risks is free



YOUR EYES

Your eyes sparkle like stars in a dark sky,
like a raindrop falling into a pond,
like light shining from within,
like a glass of champagne just poured,
like street lights in heaven,
like the sun amongst darkness,
like youth is preserved,
like diamonds in a sandbox,
like a teardrop rolling down my cheek,
like solid gold links never ending.
Like YOUR eyes, there are no others.

Leanne Ford

Mrs. McKay-Barry

That which
brings us sadness

Each year it is a privilege to conduct the newest talents here at Wheable in a group called the Intermediate Band. Though the size of the band fluctuates from year to year, the vitality just seems to get better. This is shown in their rehearsal schedule (Wednesday 7:25 AM - 8:25 AM), and in their performances at local public schools, at Wheable and on their annual trip.

INTERMEDIATE BAND

CHOIR

It is wonderful to witness both the growth and improvement of this fine group of individuals. Their service to school and community begins at 7:25 AM on Tuesdays and Fridays for hour long rehearsal and continues to concerts at Wheable, area schools, churches, senior citizens homes and the annual music trip. These are fine representatives of which Wheable can be very proud.

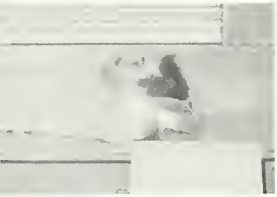
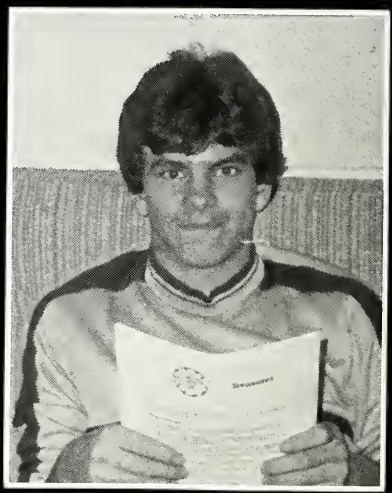
SOUNDATHON

1985



RICK YARDY'S MESSAGE



1985 got started off with the Annual Music Council Picnic held in Springbank Park. This year the Music Council decided to invest in something new - A DUNK TANK -. This made the day even more enjoyable for the music students who participated. Next was Oranges and Grapefruits. What fun! The Music Dept. sold most of the fruit, what we didn't sell, we gave to the Salvation Army.

Then before we knew it Soundathon was upon us. For the Music Council it wasn't just 25 hours, but about 30 hours. Then the time came for planning the MUSIC TRIP!!! This year the music trip is a tour around Lake Erie with stops in Windsor, Detroit, Cleveland, Buffalo, and Niagara Falls. The Music Council also put on a dance in order to raise funds. There is our last event - Soundscope - and finally the Music Banquet.

The Music Council is a very hard working group of students, who have spent the year working, and never running out of things to do.

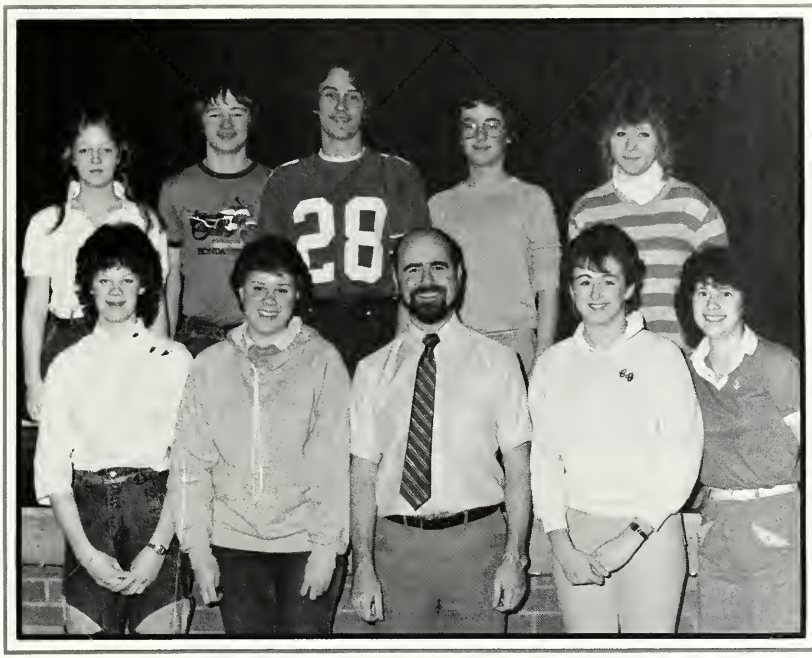
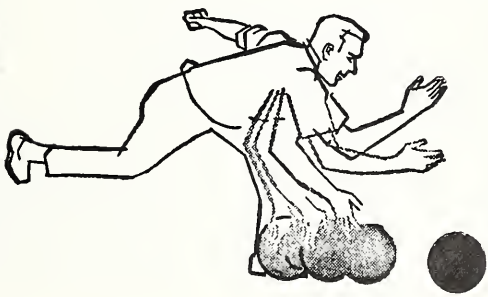
SENIORS

BOWLING



ROW 1 (FRONT): Joyanne Beckett, Toni Lambe, Mr Scollard, Chris Gauthier, Paula Peckham. ROW 2: Becky Whalley, Phillip Cody, Tim Goulden, Steve Gauthier, Ann Heffernan.

For the first time Wheable entered boy's and girls's bowling teams in the regional high school 5-in bowling championships on November 25th. The girls team consisted of Chris Cauthier, Paula Peckham, Toni Lambe, Joyanne Beckett, Becky Whalley, and Ann Hefferman. The boys team consisted of Paul Peel, Tim Goulden, Brett Hughes, Steven Gauthier, Mark Cunningham, and Phil Cody. At the regional tournament the girls did very well, placing 3rd among 8 teams, while the boys team did even better, winning the tournament. As a result of their victory in the regional tournament, the boys qualified for the all-Ontario High School Championships held in Oshawa on January 27th. Although the boys did not do well in the tournament, they did enjoy the experience and hope to be back again next year.



GIRLS CURLING

ROW (1): Miss Dawson, Andrea Gilpin, Joyanne Beckett, Cary Wylie, Veronica McEllister.

For the first time in several years, Wheable had a girls' curling team. The foursome far exceeded coach Miss Dawson's hope for success.
In the round-robin, they defeated Oakridge and Clarke Road, and played Lucas to a tie. This gave them a spot in the playoffs.
After losing to South, and then to Laurier in a very close and exciting game, the Wheable team ended the season with a very respectable fourth place in the standing behind South, Clarke Road and Laurier.

BOYS CURLING

ROW (1): Rob Kerr, Steve Eimer, Brian Eimer, Mr Lodge ABSENT: Rudy Mundt, Curtis?

The 1984-85 boys' curling season has been most successful!
At the time of writing, the team has finished the regular season with a 7-win 1-loss record, and has reached the finals in the playoffs. One more win will clinch the "B" league championship. In addition the team enjoyed participating in the first Purple and White Curling Tournament at the University of Western Ontario.
The team's success is even more gratifying in that three members are brand new curlers. With a slate of veterans returning for next season, they anticipate entering the "A" league, and should continue their winning ways.

THE SKI CLUB

The Wheable Cross Country Ski Club begins its activities each year with the arrival of snow. The Club meets regularly once a week to plan "outings" which take place on Saturday mornings. Students interested in racing are expected to ski on their own time as often as possible to improve conditioning. Ski "Loppets" (Races) take place regularly with the final OFSAA Competition being held at the end of February.
